Promotion Given Mrs. McIntosh Of O. B. Grade School

Miss Peterson Of La Jolla Appointed To Local School

Mrs. Martha K. McIntosh, who has been principal of the Ocean Beach Elementary school the past six years, was this week appointed an instructional coordinator for the entire San Diego school system at a salary of \$5000 a year. She will be one of the three instructional coordinators in the city and understands that her duties will be for the first, second, third and fourth grades. Her office will be in the administration building down town, but much of her time will be spent in supervising and field work among the elementary schools of the city.

Appointed to succeed her here is Miss Vesta Peterson, who has been principal of the La Jolla Elementary school the past two years. Miss Peterson will come here highly recommended. She has been a demonstration teacher in the Euclid school in East San Diego, during which period she gave training to many of the San Diego teachers. Mrs. McIntosh said Wednesday she was confident Ocean Beach parents and children will find Miss Peterson both efficient and cooperative. Commenting on her leaving the local school, Mrs. McIntosh wishes to have published her appreciation and regret at leaving her duties here, her statement being as follows:

"I would like through the Ocean Beach News to express my deep gratitude to the parents and other residents of Ocean Beach for their interest and cooperation with the Elementary school during my term as principal. I feel that I am leaving one of the finest groups of children and parents in all San Diego with whom to work."

She announces that she will continue to reside on Quimby St. near Point Loma high school.

Ocean Beach USO Elects Officers For The Ensuing Year

At the June meeting of the USO Hostesses held the evening of June 28, the following officers were installed for the fiscal year beginning in July: Lloyd Greeson, chairman; John E. Loftus, vice-chairman; Morgan Elliott, treasurer; Mrs. Grace Greeson, manager and Mrs. Marie Johnson, secretary. Father Philip Harris of Trinity Episcopal church conducted the installation. The following chairmen were appointed: Mrs. Esther Milton for canteen; Mrs. Katherine Huie, desk; Mrs. Arlien Stone, house, and Mrs. Georgia Brock, publicity, magazines and stationery.

Sheridan Hoagland, director of the USO council, attended the meeting and spoke of his pleasure at seeing so many junior hostesses present and their participation in the discussions. Mr. Hoagland also paid tribute to both Mr. and Mrs. Greeson for the great amount of time and energy they had put into the club during the past two years and the splendid results they had accomplished. He also spoke of the hospitality needed to be accorded to the returning veterans, especially the disabled.

Largest Crowd Of Season At Beach

Largest crowd of the season enjoyed the beach at the foot of Newport, Santa Monica and Niagara on July 4, and the day passed without any call for lifeguards. Accidents were practically nil.

Arrests over the holiday also were few, report the local police, being mostly of drunks. One bike was stolen and recovered near the Mission Bay bridge.

Gus Kroesen, 22, of the Naval repair Base was arrested at 2:10 a. m. July 5 by Officers W. J. Shewbert and D. T. Baldwin on a charge of destruction of public property. They report they found him pounding apart a bench evidently with the idea of using the wood for a fire on the beach.

"There have been several cases of destruction of city property on the beach this year and a large number of the city's benches have been destroyed and others placed in dangerous condition by vandals," say the officers.

Plans Completed For Bible School To Open July 16

Plans were completed at a meeting Monday evening at the J. F. Roberts home for the Daily Vacation Bible school to be held at Point Loma Methodist church, July 16 to 27 inclusive. Mrs. Esther Roberts is the superintendent.

The school will be in session five days a week from 9 a. m. to 12 noon. Program will include worship, games, study, singing, handicraft and movies. The merit system that will take into account each individual child will be used and a close check kept on absenteeism and the parents notified.

Beginners, primary and juniors are included and they are asked to be at the church by 9 a. m. of Monday, July 16 to enroll. The school is open to all denominations, announce those in charge.

Horse Racing To Resume At Del Mar on July 11

Del Mar, Calif., July 3—Racing comes back to dainty Del Mar after a four-year layoff next Wednesday when Bing Crosby's seaside course swings into a 40-day summer session "where the turf meets the surf." Studded with richly-endowed stakes and handicaps, the meeting is assured the finest array of thoroughbreds in its colorful history.

Among the topflight performers who will flash their speed for vacationing horse-lovers are Texas Sandman, second in the recent Santa Anita Handicap; Checkerhall, Jury Box, Wedding Call, Black Badge, With Regards, El Lobo, Orion, Dogpatch, War Allies, Blue Pennant, Phar Rong, Vain Prince and many others.

First post time will be 3 p. m. daily.

An Inaugural Handicap at six furlongs will start the meeting off with a bang. On the first Saturday, July 14, the \$5000 added Long Beach Handicap, at a mile, will lure out the stakeholders.

General Manager W. F. Toney reports the plant in apple pie order for the opening. The racing strip itself is in good condition and trainers have already lauded the springiness of its top cushion.

Ocean Beach Camp & Hospital

By ONA E. PITCOCK
Phone B-5639

As you all know thousands of our boys are returning home and thousands leaving. All who possibly can are going on furloughs home on a visit. We must have all the suit cases and traveling bags we can possibly get. These bags are loaned and returned to Red Cross headquarters so that the other boys leaving can use them. Our old ones are worn out so please go through your homes and donate all you possibly can. Please do this at once as the call is urgent.

We also want succulent plants, also funny books and outdoor magazines, Popular Mechanics, etc.

The Center bought six beautiful John Wanamaker ferns and six other potted plants were donated. They were beautiful plants and greatly appreciated by the hospital.

A dear lady living on Del Monte Ave. who does not want her name mentioned has donated shells and beads valued at about \$100. Camp & Hospital was delighted and said they would make beautiful jewelry, etc., and give much happiness to the patients in Occupational Therapy.

Mrs. Mae Heidbrink of Mission Beach brought over a large box of games, beads, and other articles asked for in my last column. We did not receive the three-gallon coffee pot or the sandwich toaster as yet. Who will be first to respond to this appeal?

No doubt you saw the picture where some of our wounded went to the ball game. They gave arms, legs, and some gave all. Please do what you can to help make their burden a little lighter. It is so little to ask and helps so much to keep up their morale.

Don't forget Wednesday is Cookie day. We have sugar and fat.

Reorganization Plan for C. Of C. To Be Presented

New Methods To Be Voted On At July 10 Meeting

New methods of conducting the business of the Ocean Beach Chamber of Commerce are to be considered and voted on at the July meeting to be held Tuesday evening, July 10 at the Woman's clubhouse 2160 Bacon St., at 8:15 o'clock.

A special committee on reorganization and coordination consisting of R. E. Reed, Don Thompson and Forest Whedon, will present the changes in the procedure and by-laws. Amendments to several of the by-laws are to be considered. Copies of the proposed changes have been mailed to all the members by Secretary Harry Masters, and it is urged that the changes be studied carefully and the members be prepared to pass on them intelligently at the Tuesday meeting. He says, "This is a very important step for the reorganization of the Ocean Beach Chamber of Commerce. You will have the opportunity to express your wishes in this matter when it is put to a vote by President J. R. Lowmes."

The committee states that their proposals have been submitted to the board of directors and by them have been approved. This approval must be substantiated by the membership as well, they declare.

July 26-27-28 Set For Minstrel Show

Dates of July 26, 27 and 28 have been set for the Ocean Beach home talent minstrel show to be held at Wallace Hall. More than 200 tickets already have been sold, report those in charge. Tickets can be reserved at Jo's flower shop. "So much talent has been offered that some will have to be omitted for lack of time in the 2-hour 15 minute program that is planned for each night," reports the publicity manager.

MRS. MARY K. MORGAN PASSES AWAY AT AGE 74; HAD BEEN ILL 2 MONTHS

Mrs. Mary K. Morgan of 4854 Muir Ave. died Saturday, June 30 in Mercy hospital after an illness of two months. Funeral services in her honor were conducted Tuesday forenoon, with Father Philip S. Harris of Trinity Episcopal church officiating. Burial was in Mt. Hope cemetery.

Mrs. Morgan was born in Virginia 74 years ago and spent practically her entire life in the south, moving to Ocean Beach about five years ago. She was the widow of Zaqueil Morgan, a former Virginia sheriff who died here in January 1944. She was a member of the Episcopal church and had endeared herself to many here because of her friendly, neighborly disposition.

Surviving are two daughters, Mrs. Mary E. Cosgrove and Mrs. Flora Morgan, both of Ocean Beach; and one son, Z. G. Morgan, of the Frontier Housing Project. She also leaves two brothers, Thomas Arnett and A. H. Arnett, and one sister, Mrs. Nellie Parker, all residents of other states.

Cliff of 4933 Narragansett Ave. has been decorated with a Bronze Star medal for "displaying outstanding administrative skill and enterprise in formulating a method for reporting casualties." Breyer of 4628 Niagara Ave. Since returning from Europe, where he had completed his missions as a gunner on a bombing plane, he had visited with his parents, Mr. and Mrs. Wm. G. Tech. Sgt. Frank B. DeMack, who has been overseas for 28 months, has been awarded the Meritorious Service Unit badge and his unit has been given a plaque for outstanding performance in the European theatre, where he has been an administration inspector at a headquarters of Army Air Force engineer command. He also is the holder of the European campaign ribbon with two battle stars. DeMack is a resident of 4657 Newport Ave.

Richard L. Wheeler of 4538 West Point Loma Blvd., a ship's cook first class, was one of three San Diegans who escaped injury on the ill-fated U. S. S. Pinckney, a transport loaded with wounded men, which ship was recently attacked by a Jap suicide plane as she lay at anchor off Okinawa. The plane, crashing through several decks of the ship, caused the death of 36 men. Following emergency repairs overseas the ship was able to return under her own power to a west coast port for repairs.

Lieut. Richard G. Kimball gave his parents, Mr. and Mrs. R. C. Kimball, 4429 Muir Ave., a pleasant surprise when he arrived home Sunday evening on a nine-day furlough from his training at the Pyote, Texas air field. He is a navigator on a B-29 and is to report back to the Pyote field by July 9. After about another month's training, he expects to be assigned to duty overseas in the Pacific with a B-29 crew. The lieutenant, who is a graduate of Point Loma high school, entered the service in September, 1943.

First with the Coast Artillery, he shifted to the Army and wound up his service with the Tenth Army on Okinawa on May 24. He was in the thick of the fighting there from April 1 to May 24, being on the front line for 22 days. He also had 10 days of the bloody fighting on Iwo Jima. The Japs are plenty tough, he reports, and he looks for a long war in the Pacific. Stanley, who is a son of Mr. and Mrs. John Barskey of the Narragansett Ave. address, has begun work at the Naval Air Station in San Diego.

Mrs. Beulah McCallum of San Diego and her niece, Mrs. Culp and the latter's friend, Mrs. Daley, both of Tempe, Ariz., were visitors Sunday at the F. F. Swan home.

World Must End War, Mundo Tells Kiwanis Tuesday

Urges Prevention Of Conditions That Tend To War

The world has got to do away with war or war will do away with the world, the Ocean Beach Kiwanis club was told at its Tuesday meeting by Judge Arthur L. Mundo of San Diego, a retired lieutenant commander in the Navy who saw his ship sunk at Pearl Harbor.

"That means," said the judge, "that we must see to it that our public officials will not allow conditions to arise that will bring forth another Hitler or Hirohito to try to conquer the world."

"The war is half won, but can we say that the peace is half won," he declared. Judge Mundo spoke on the meaning of the July Fourth holiday. Paul Hendrickson was program chairman.

President Jerry Sullivan announced that the annual Kiwanis meeting at the Door of Hope home will be held on Tuesday, July 17.

Visitors Tuesday were Joe Foss of the El Centro club, Lieut. Bruce Weston of La Jolla club, Irving Edwards of Los Angeles, a guest of Forest Whedon, and Frank Ellington, PhM 2c, a guest of Don Cochran.

The picnic will be held at La Jolla and the drink and dessert will be furnished by the church. Plan is for the children to return home in the latter part of the afternoon, announces Mrs. Scott.

Memorial Instead Of Plaque Favored

A memorial rather than a plaque for Ocean Beach servicemen has been favored by the local donors to the fund, Frank B. McElwee, chairman of the special committee handling the matter, reported to the Kiwanis directors Tuesday evening. Cards had been sent out to the donors with the result, McElwee said, that all except one replied that a memorial rather than a plaque would be favored.

OCEAN BEACH, THE ONLY PLACE TO LIVE, REPORTS DR. OSTER AFTER TRIP

Business Men To Buy Equipment For Softball Players

Purchase of the equipment including bats and balls by the club and of sweat shirts by the sponsoring stores was announced Tuesday evening at the Kiwanis directors meeting. The Kiwanians are sponsoring the league, and hope to have enough teams taking part to make the season play and contests for prizes interesting to all concerned. Enough players for several teams already have enrolled, Al Hunt of the special committee reported.

The committee is to decide a date right soon at which the boys will be brought together at the Elementary school grounds where the games will be played in the early evenings. Exact hour for the play to begin is to be set soon also. Boys from 12 to 17 inclusive are eligible to enter.

Boys who have not yet signed are asked to do so at once at The News office, 1922 Bacon St., or enroll with any member of the committee, Martin Murphy, Al Hunt of the Cache of Sweets and Father Philip Harris of the Episcopal church.

Their scoutmaster, Carlton Bingham, is staying the first week with them and a leader for the second week is urgently needed. Anyone willing to donate a week of their time to this worthy cause for the week of July 10 through the 17th is requested to contact Martin Murphy at 3749 Narragansett Ave., or call Bayview 7451 for the details.

Richard Roshon, first, miscellaneous collections, Class C. Richard also was given a special award for his radio exhibit.

All of the 18 Ocean Beach boys competing received a play shirt inscribed "Optimist Club Hobby Show."

Optimist club officers said the show was so successful that plans already are being made for the 1946 project.

Toothpick Exhibit Draws Crowd Here

Hundreds of Ocean Beach folk already have admired the wonderful handcraft exhibit made of toothpicks in the window of the Kraft drug store, installed there by the clever artisan who made it, Bill Burke, of 1605 Sunset Cliffs Blvd., an employee of the store.

Eighteen months of his spare time at his home workshop have gone into the making of the "Victory Fun Zone" model displayed, and Bill says it will take him until Christmas to complete it, since only five of the 11 moving units that he plans are as yet hooked up. A small motor and switch for each moving unit is required. Lighting as well as power is used in the exhibit.

Marc Strauss drove to Los Angeles early in the week to bring his wife home. She had been in the metropolis to see her father, who was ill.

City Engineer Preparing Plans For Center Here

Expect 20 Bidders On Recreation Building

If numerous bidders will help, the city should get a low figure on construction cost of the Recreation center building for Ocean Beach. "We expect and are preparing plans and specifications for about 20 bidders," Russell Rink, assistant city manager, informed The News Tuesday.

He expects City Engineer Hans Jorgenson will have the plans ready in about two weeks and that the council will then establish the customary wage scale and pass a resolution calling for bids. He predicted that likely it will be five weeks before the bids can be opened and the contract let.

Construction, he estimated, will take about four months, which means that completion cannot be expected much before the first of next year.

Thus far, \$53,500 is available to pay for the building construction and heating plant. Rink stated, the total of \$57,000 having been reduced by the payment of \$3500 to the architects, Templeton Johnson and Harold Abrams. Of the total Ocean Beach has contributed \$7000 and the city has appropriated \$50,000.

A reinforced concrete one-story building, with hardwood and asphalt tile floors and six side rooms besides the large auditorium and kitchen are included in the plans, and the floor space totals around 7500 square feet, Rink stated.

Construction On Cabrillo Building Will Be Rushed

Construction work on the new Cabrillo Cleaners & Laundry Inc., store for Ocean Beach will be pushed as rapidly as possible in the hope that it can be completed some time next month, Mrs. L. G. Macklin, lessee, announced this week.

The new building, which is going up on a site 40 by 75 feet across the alley north from the present store on Cable St., will be 32 feet front by 24 feet in depth, she said. In order to provide drive-in service the new structure is to be set back 20 feet from the curb. It will be on one story and of stucco construction, with concrete floor, and tile front. Contractor Riha is in charge of construction. Carl Maffioli is the owner.

Built especially for a store and office for this type of business, the new structure will be entirely modern in every way and will be equipped to give better and more up-to-date service than has been possible in the cramped and unsuited quarters that this firm has been using here.

Commenting on the handicaps under which she has been carrying on the business in the present location, Mrs. Macklin stated that the "customers here have been the most cooperative of any of the numerous Cabrillo stores in San Diego, and we do greatly appreciate the consideration they have given us. Conditions of help shortage are now improving and already we are back on a 5-6 day basis on filling of orders."

Mrs. Macklin also operates a Cabrillo store in Pacific Beach and one on Midway Dr.

She said that she hopes to have the building now in use, which was built for a residence, remodeled into three apartments in order to help alleviate the apartment shortage here.

Workers On Red Cross Surgical Dressings Needed

Workers are urgently needed at the Marine Base Surgical Dressing Unit of the Red Cross. An emergency order for 400,000 "four by four" bandages to be filled by the San Diego Chapter prompts this appeal.

Entrance to the Base is at Gate 4 on Pacific highway, near Consolidated. "Please wear wash dresses and bring a cloth to cover the hair," request those in charge. The days are Tuesdays and Thursdays and the time from 9 a. m. until 3:30 p. m.

Helen Burke Weds Ens. Wm. E. Wallace At Church Monday

Miss Helen Ida Burke, daughter of Mr. and Mrs. Perry A. Burke, 4628 Tivoli St., exchanged wedding vows Monday evening, July 2 at 7 o'clock in the Point Loma Methodist church, with Ensign William Eugene Wallace, son of Mrs. Ruby Wallace of San Francisco. Rev. James F. Roberts read the ceremony.

Preceding the reading of the marriage vows, Miss Ann Carmody, talented young singer, accompanied by Mrs. James Roberts, sang "Because" and "Oh Promise Me."

The bride, wearing a turquoise two-piece crepe street dress, and crowning her dark hair a matching skull cap of turquoise adorned with large pink roses balanced over her forehead topped with turquoise veiling, was given in marriage by her father. Mrs. Roberts played Mendelssohn's wedding march as she came down the aisle to recite her vows. The church was decorated with white gladioli and snapdragons accented with greenery. A sister of the bride, Mrs. Ernest Harris (Beatrice Burke), wearing a pink print, attended the bride.

A reception was held for the wedding party at the Burke home on Tivoli St. in Sunset Cliffs with about 50 guests attending.

Mrs. Wallace attended State College for two years, affiliating with Shen Yo sorority. She was a graduate of Point Loma high school and has been a resident of Ocean Beach for 10 years, coming here with her family from Imperial Valley. Ensign Wallace attended the University of California at Berkeley and received his commission upon graduation this month from the Midshipman school at Harvard.

Reservations were made at the Ambassador Hotel in Los Angeles for a short honeymoon.

They plan to make their home in San Francisco for the time being.

Mrs. Anna Mulville of Ocean Beach and her niece, Mrs. Vonnice Everson, of San Anselmo were dinner guests Monday evening of Mrs. Theresa Price, 4522 Brighton Ave.

Mr. and Mrs. Daryl Smith, 2311 Seaside St., spent the weekend with Mrs. Smith's parents, Mr. and Mrs. S. P. Morris at Hemet.

Mr. and Mrs. Ben Duffy of 4847 Pescadero Ave., became the

parents of a girl born June 26 at Paradise Valley hospital.
 Mrs. Earle Massie, 4674 Saratoga Ave., is enjoying a week's vacation from her duties as head teacher at the Ocean Beach Federal Extended Day Care center at the Ocean Beach school.

Lieut. Ralph E. Brandel spent last week at the home of Mr. and Mrs. Roy Nelson, 2253 Sunset Cliffs Blvd. Lieut. Brandel, originally from Chicago, is stationed at Camp Pendleton awaiting overseas orders.

CHILDREN'S ORCHESTRA ENTERTAINS SOCIETY

The Ocean Beach Troubadors, a children's orchestra, entertained members of the Altar Society of the Sacred Heart church at their monthly meeting Monday evening in the parish hall. Under the direction of Clyde Flynn the members, Maureen Clark, Glenn Coyle, Don Jones, Bill Spencer, Johnny Clark, Norman Sulek played and sang the Star Spangled Banner as their opening number. Maureen, accompanied by the orchestra sang "Just A Prayer Away" and "Here Comes the Navy." In honor of our fighting men overseas the orchestra played the Army Air Corp song, "Anchors Aweigh" and the Marines Hymn. Maureen, the youngest member of the group again honored the mothers with two Hawaiian selections and the orchestra closed with "Auld Lang Syne."

A. C. Smith, 5130 Long Branch Ave., underwent an appendectomy in Quintard hospital Wednesday.
 Miss Mary Cole, daughter of Lieut. and Mrs. G. F. Cole, 4766 Del Monte Ave., entertained Miss Rosemary Wagner, Mrs. Hubert Collett and Miss Dorothea Lindstrom at a spaghetti dinner at her home before the group attended the wedding of Miss Helen Burke and William Wallace at Point Loma Methodist church.

BUYING War Bonds to support such men as Sgt. Walter D. Ehlers is little enough. Acting as spearhead against an enemy strongpoint, he killed four in a Nazi patrol, put a gun crew out of action and put to flight a mortar section. Again he advanced on a machine gun and knocked out its crew single-handed. All that he did while machine gun bullets and mortar fire poured upon him and his men.

SEA BREEZES

Let's Laff
Maybe Think

When we put our best foot forward, we stop kicking.

Some gals attain their ends by not taking enough exercise.

Judge: "With what instrument or article did your wife inflict the wounds on your head and face?"
Mike: "Wid a motty, Yer Honor."

Judge: "A what?"
Mike: "A motty—wan of them frames wid 'God Bless Our Home' in it."

Roses are red,
Violets are blue,
Sugar is scarce,
And butter is too.

Boy: "No mister, I don't want to sell this trout."

Angler: "Well, just let me measure him so I can truthfully tell the gang in the city how big the trout was that got away from me."

GI: "How about some old-fashioned loving?"
Gal: "Okay, just a minute—I'll call grandma."

There's a fellow who is going places.
"Ambitious, eh?"
"No—his wife is out of town."

All things come to those who wait. The trouble is by that time we usually are waiting for something else.

Man (running breathlessly into a police station): "Sergeant,

lock me up! I just hit my wife with a baseball bat."

Desk Sergeant: "Did you kill her?"

Man: "No—lock me up quick."

AS: I have a pain in my abdomen.

HA1c: "Listen, officers have abdomens, CPOs have stomachs. You have a bellyache."
